

FORM, CONTOUR, COLOR,& TEXTURE

Due: September 15, 2009

Creating
Value
through
these art
elements!

Students will create a piece demonstrating understanding of the elements art: line, color, texture, and form. They will learn value.

Let's Get Started!

By Trenz Pruca

1. Students will choose subject matter.
 2. This subject matter will be repeated four times.
 3. Each time will show
 4. Subject matter should
- contour, color, texture with value using a sharpie marker, and value using graphite.
- contain an interesting, thought-out background. Please incorporate all styles into the backgrounds as well.
